Introduction

The International Programs School (IPS) opened in 2000 with 19 pupils and currently has approximately 1140 students representing over 32 different nationalities. IPS is a gender-segregated school that offers a North American curriculum, with International Baccalaureate Primary Years Programme (PYP) candidacy and Diploma Programme (DP) authorization. Our faculty is a diverse mix of 200+ teachers and administrators from over 30 different nationalities: American, Canadian, British, South African, Lebanese, and Saudis to mention some. We pride ourselves in providing a top quality classroom environment for our students. IPS is fully accredited by the Middle States Association of Colleges and Schools and is licensed by the Saudi Ministry of Education.

IPS is an educational community whose purpose and mission is to educate young people intellectually, morally and physically. The school recognizes the special circumstances in which parents find themselves in relation to the education of their children when they bring their families overseas, and welcomes applications for admission from all in the community whose children can benefit from the education offered at the school. The school's mission and beliefs underpin all that goes on in the school and are a clear indication to parents as to our approach to education. We believe that the education of the children and young people in our care is particularly enhanced by a positive partnership between parent and school.

IPS accepts both local and expatriate children, ages 4 to 18, without discrimination of gender, race, religion or nationality.

Enrollment Procedures

Applications for admission are accepted throughout the year. Families seeking admission first meet the Admissions Recruiter, who will provide them with verbal and written information regarding the application process. Enrollment procedure information and forms are available on the school website, ipsksa.com

All students admitted to IPS must live with parents or an authorized adult guardian. When a student does not live with a parent, the Head of School, or a designee, will investigate and make a determination concerning a possible waiver.

Priority for admission is given to those who, by virtue of their previous education experience, prefer to attend an English-speaking international school. Students should, therefore, be fluent in English or be at a stage where they can achieve fluency given limited specialist support. Priority is also given to siblings of those already at IPS, children of IPS staff, and returning students. New families are prioritized in the order according to the date of their application.

IPS provides language and learning support, as stated in the [Language Policy](#), for those with specific needs. However, resources are limited and we are unable to admit students with significant academic or physical needs. For students with learning difficulties, a psychological report should also be provided. Failure to notify the school of such significant academic or physical needs may result in immediate withdrawal.

Each candidate's application materials are carefully studied in order to assess suitability for admission.

- **Grades K-5 / Primary Years Programme (PYP)**
 - The PYP at IPS looks for students who are motivated and determined with average to excellent academic performance. We seek students who are respectful to others, internationally-minded, and whose personal characteristics enrich the community.

- **Grades 6-10**
 - IPS offers an academically sound, concept-based program with USA Common Core, Aero and Next Generation Science Standards (NGSS) that aims to develop balanced individuals who display IB learner profile attributes.

- **Grades 11-12 / Diploma Programme (DP)**
 - The IBDP offers a 2-year challenging, university preparatory, academic program that leads to an IB diploma at the completion of grade 12. Grade 11 (IB1) and 12 (IB2) students must take six IB classes (3 standard and 3 higher levels), Theory of Knowledge (TOK), and complete Creativity, Activity and Service (CAS), and Extended Essay (EE) requirements. All students must also comply with the Saudi Ministry of education requirements.

IPS is an IB World School offering the Primary Years Program (PYP) and the Diploma Program (DP).

Incomplete application forms and documents will not be accepted and an admission assessment will not be scheduled. If the maximum class size has been reached before the scheduled admissions assessment, the assessment fee will be reimbursed.

Admission Decision

- The Admission Team (principals + head of school) will use the chart/rubric below to reach a final recommendation
- Administration reserves the right to require retesting before making a final decision
- The final decision to admit rests with the Administration Team and ultimately the Head of School

Acceptance & Enrollment Fee

Families will be notified via email and/or phone call of assessment results within seven business days of the assessment date. If accepted, families are immediately required to pay the non-refundable enrollment fee to ensure the student's placement in the class; the student's enrollment is not official until this step is completed. Failure to attend school within two weeks of enrollment and/or start of the school year will result in withdrawal from IPS.

Tuition Fees - Once officially enrolled, the school's finance department will provide an invoice that details payment guidelines and installment due dates. No student can attend school until the first installment of tuition fees has been received. We accept only wire transfers, cash, or bank drafts; personal checks are not accepted.

Tuition/Fee refunds for Early Withdrawal AND obligations for Late Entry/Acceptance will be based on semester (2 times per year) attendance. If a student attends up to 20 days of a semester, semester tuition will be prorated by week. If a student attends 20-40 days of the semester, 50% semester tuition is refunded. If a student attends 40 or more days of a semester, full semester tuition applies and there is no refund.

Waiting List – The high demand for enrollment at IPS implies that there might be a waiting list, in this case parents will be notified. When a place becomes available it will be offered to the first student in the list; however, siblings will be given preference.

Admission Cycle

The IPS admission assessments follow this cycle below. Other testing dates may be established on an as needed basis with Head of School and Principals' approval.

- January
 - 2nd week: IPS begins accepting applications - only complete applications will be scheduled for assessment.
- February
 - 3rd week: Admission assessment for IPS siblings, waitlist candidates, and staff children. These are scheduled on a first come first served basis. Re-enrollment forms for current students will be distributed with semester 2 report cards.
 - Re-enrollment deposits are due two weeks after forms are distributed.
 - Deposits are made to secure a spot for the next year; however, deposits do not ensure advancement to the next grade level - this is determined by academic achievement, teacher recommendation in consultation with principals.
- March / April / May
 - Admission assessments for all applicants scheduled on a first come first served basis. International candidates who qualify for admission based on their academic records and their most recent standardized test results, such as the Stanford or the Star test, will be allowed to take the admissions assessment upon arrival to the Kingdom. To that affect the administration will reserve a seat in the appropriate grade level pending the admissions test results.
- November / December - Annual review of admissions materials.
